

Prototype instructions

3rd March 2025

Note:

- This initial prototype is missing several features that will be in the final version.
- This prototype is a web-based app.
- It will only work on iOS devices.
- All data is stored securely on the phone and not stored online.
- The following slides are designed to assist with the setup and usage of the app.
- If you have any questions, please reach out to Matt on 021-1911300 or [email](#).

Setup

Sequence

Step 1:

- Open Safari/Chrome on your mobile iOS device and type **craversaver.com** – This will direct you to the initial sign-in page. Do not enter your name yet and move to Step 2.

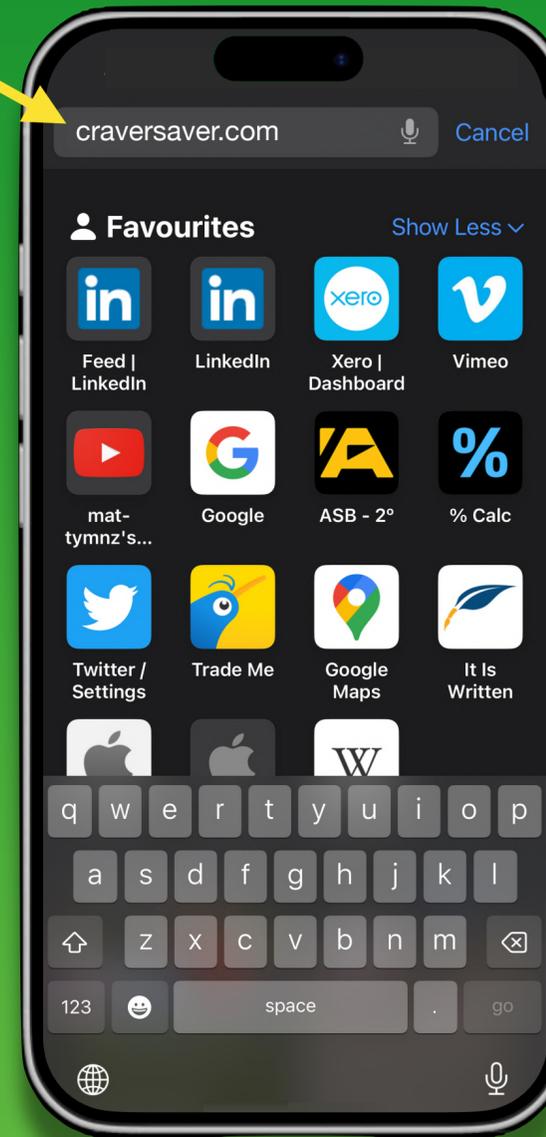

Step 2:

- We need to add the Craver Saver icon on your mobile device....
- Push the  and scroll down until you see the option of 'Add this to home screen'. Click on that.

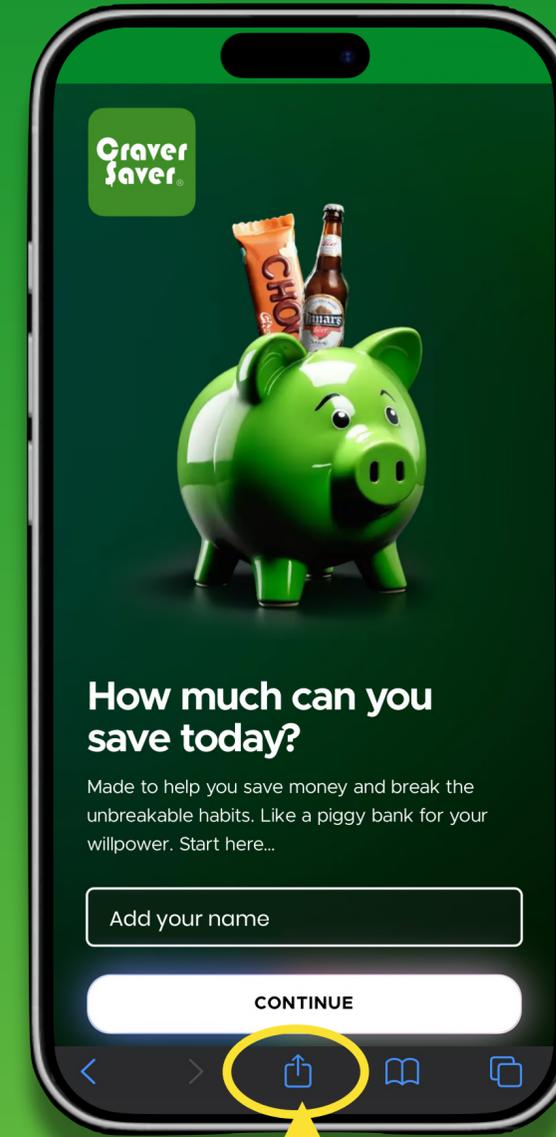

Step 3:

- You will now have the  icon with your other apps. Locate it and move it to your home screen of apps, by holding down on the  button. Or leave it on the screen of your choice.
- NOTE: The best place for this is on your home screen for quick access. If you have banking apps on your home page, a good spot for the Craver Saver icon is near them.
- Once placed, click on the icon to start the name sign-in and Cravings input section.
